### **Shasta Wildlife Rescue receives \$1,000 Grant from Scripps Howard thru the Record Searchlight**

---

Anderson, California - On Tuesday, May 6, 2014, members of Shasta Wildlife Rescue and Rehabilitation received a \$1,000 Grant check from the Record Searchlight's parent organization, Scripps Howard. The grant was gifted through volunteer Jessica Skropanic, travel writer and news assistant at the Record Searchlight. Jessica, a volunteer for SWRR, requested the grant through Scripps Howard's employee volunteer grant program for the purpose of helping SWRR pay its medical expenses for sick and injured wildlife in its care.

Shasta Wildlife Rescue and Rehabilitation is dedicated to the rescue and rehabilitation of sick, injured and orphaned wildlife and returns them back into the wild, thereby giving them a second chance at life.
